PROJECT IMPACT STORY:

Please complete as per these examples and email photos with this report:

Brooks & District Seniors Outreach Society – Fall 2016 – Meals on Wheels

We provide meals on Christmas Day and on one Christmas, an elderly gentleman who was never married or had a family asked for a meal. When it was delivered at noon, he had obviously forgotten he was getting Christmas dinner and was planning to have a glass of milk and soda crackers. To say there were tears would be an understatement. Stories like these make you thrilled to know you are making a difference.

KidSport Society – Fall 2016 – Operations/Programming

Dave & Angie Noelle – Both hard-working entrepreneurs here in Medicine Hat, the Noelles were in a car accident that changed their lives. They both sustained major injuries that kept them from working and had them filling out never-ending paperwork to file for disability. Barely able to afford rent, they down-sized and have continued to struggle to pay the bills. Their 9 year old son felt extremely left out when asked at school one day how he connects to his community and

neighbours. Hearing this, the Noelles reached out to Kidsport, applied for funding and have since not only put their son in soccer, but volunteered as his soccer coaches, bringing the entire family a lot of joy and a deepened sense of community.

*Persian Dreams & Canine Themes Rescue Society – Fall 2016 – Grey Muzzle
Launch/Programming*

Because of this funding, Archie, an 11-yr-old cat with a lot of love left to give, received emergency surgery to remove a stuck hairball and had all his teeth extracted. After these procedures, he quickly gained weight (as his mouth and stomach were no longer bugging him) and is living life to the fullest in a foster home! We love to celebrate these animals and the long and loving relationships they create with their owners.
