

In partnership with the RBC Foundation, CFSEA facilitated a number of Vital Conversations for youth ages 15-29, in February 2020. These consultations took place across Southeastern Alberta, including their three rural fund areas, and addressed the community's most pressing needs and creative solutions. CFSEA heard their opinions and are moving forward to help co-create next steps for potential solutions.

We Give; We Grow; We Inspire! CFSEA creates meaningful connections between donors and local charities for the permanent benefit of Southeastern Alberta. Our endowment fund currently stands at over \$16 million and last year disbursed over \$400,000 to registered charities across Southeastern Alberta. Our many generous donors are committed to leaving a legacy of funding to support our communities - today, tomorrow, forever!
